

Mile End Hospital

Mile End Hospital, Bancroft Road, London, E1 4DG

Founded in partnership with NIDMS

How can I get an appointment?

- You must first visit your GP, explain your injury concern and that you are a dancer, teacher, or choreographer and would benefit from dance-specialist treatment. Your GP will refer you to your chosen NHS Dance Injury clinic using the information below.
- Please print this information or show this information on your phone during your GP appointment to help them make the referral.
- Please note this service is a Secondary service, not Tertiary. Due to this service being an NHS service it is free at the point of use and as an NHS patient it is your legal right to choose where you would like to be referred.

Referral options/details

From 1st October 2018, all GP referrals are now done electronically through the e-Referral System (e-RS).

The Sports and Dance clinics are **available on e-RS** as follows:

- Mile End Hospital
- Rheumatology - MSK - Routine Referral
- Mile End Sport and Exercise Clinic

PLEASE NOTE

Currently, the dance injury clinic is not bookable via e-RS Choose & Book. Please send us your referral in either for the two following ways:

- **Email referral letters directly to Susan Lawrence: susan.lawrence@nhs.net**
- **Referrals can also be sent via Rheumatology 'defer to provider' on e-RS. These patients will be triaged. If allocated to the dance injury clinic, patients will be directed to the next available appointment.**

Your appointment will take place at **Mile End Hospital, Bancroft Road, London, E1 4DG**. You will be seen at the dance injury clinic on a Monday afternoon.

If you have any problems or questions regarding your referral please contact the NIDMS Manager on: 020 7940 9804 or manager@nidms.co.uk
