

Queen Elizabeth Hospital

Mindelsohn Way, Birmingham B15 2TH

Founded in partnership with NIDMS and One Dance UK

How can I get an appointment?

- You must first visit your GP, explain your injury concern and that you are a dancer, teacher, or choreographer and would benefit from dance-specialist treatment. Your GP will refer you to your chosen NHS Dance Injury clinic using the information below.
- Please print the information below/show this information on your phone during your GP appointment to help them make the referral.
- Please note this service is a Secondary service, not Tertiary. Due to this service being an NHS service it is free at the point of use and as an NHS patient it is your legal right to choose where you would like to be referred.

Referral options/details

From 1st October 2018, all GP referrals are now done electronically through the e-Referral System (e-RS), previously called Choose & Book. GPs can find the referral option by searching (please select whichever has the shortest wait time):

- **7931145 Sports and Exercise Medicine (Consultant SEM Physician)**
- **7304729 Consultant Physiotherapist in Sport & Exercise Medicine - QEHB**

Referrals can also be made by Consultants and Medical Specialists from other hospitals. These can be done via letter, fax or email.
